The course B.Ed known as Bachelor of Education is a two year regular programme designed for students who are eager to develop their career in teaching. This course provides basis for pursuing higher studies in M.Ed. and an opportunity to gain a meaningful employment at its earliest.

M.S. Institute of Education (MSIE) is pioneer in this field, providing excellent environment & highly specialized faculties to raise students from their classroom to field and develop them in respective areas of their specializations.

Personally speaking we in Bihar required such courses to give impetus to meaningful employment at the earliest, so as to bring masses into the fold of social justice.

B.Ed provides window for those who wish to go for higher studies.

MSIE is a benchmark in Teaching Education.

With best compliments.

एम.एस. इन्स्टीच्यूट ऑफ एजुकेशन, तपिन्दु एजुकेशनल सोसाइटी (TES) के द्वारा प्रबोधित एवं संचालित है। यह संस्थान राष्ट्रीय अध्यापक शिक्षा परिषद् (NCTE) से बी.एड. उपाधि हेतु प्रस्वीकृत है तथा इसे मगध विश्वविद्यालय से संबंधन प्राप्त है।

इस संस्थान में हमारा यह प्रयास होता है कि जो भी शिक्षा स्नातक-यहाँ से उपाधि प्राप्त करें उनमें शिक्षकत्व के ज्ञान एवं गुण विकसित हों। एक शिक्षक में सामाजिक कौशल, भावात्मक-कौशल एवं मनोक्रियात्मक-कौशलों की आवश्यकता होती है। हमारे संस्थान में इन सारे कौशलों के विकास पर ध्यान दिया जाता है।

एक शिक्षक में गवेष्णात्मक (Inventive) मस्तिष्क होना चाहिए। इस संस्थान में विभिन्न कार्यक्रमों के द्वारा इन क्षमताओं का विकास किया जाता है, जिससे वे अपनी सेवावधि में तत्कालिक समस्याओं के वास्तविक कार्यों को ज्ञात कर उनका समाधान निष्पक्ष रूप से कर सकें। संस्थान में आपको सर्वेक्षण, संगोष्ठी एवं कार्यशाला का अवसर दिया जाएगा, ताकि प्रशिक्षुओं में गवेष्णात्मक क्षमता का विकास संभव हो सके।

इसके लिए भौतिक संरचना की आवश्यकता होती है जो इस संस्थान में उपलब्ध है। उपर्युक्त उपलब्धियाँ तब तक संभव नहीं होती जब तक प्रबंधन संतोषप्रद नहीं होता। मैं सगर्व कह सकती हूँ कि संस्थान की सफलता का श्रेय इसके अध्यक्ष एवं निदेशक को जाता है जिनका मार्गदर्शन सदैव प्राप्त होता रहता है।

शुभकामनाएँ सहित !

College Library

College libraries are important centers of the campus. Ideally, we might want to think of the campus as the academic focal point, the repository of knowledge, the temple of wisdom. Students actually use libraries for research and learning demonstrate the degree to which students make use of libraries and librarians.

But libraries have always been social spaces, too. M.S. Institute of Education has library which has 3000 reference books, journals, periodicals for the students.

M.S. Institute Of Education has a Quality Laboratory :

1. **Science Laboratory:**-M.S. Institute of Education has well equipped science laboratory to impart the practical knowledge of science and its application in real life, enhance the scientific aptitude and skill. The three branches of science methodology Physics, Chemistry & Biology are taught in well-equipped and advance Laboratory. The trainees learn to generate reliable and accurate result as possible, timely reporting and proper record keeping.
2. **Education and Technology Laboratory:**-To enhance the skill of the B.Ed students through technology and empower them with latest educational approaches ET laboratory is playing a vital role. College is having a well-equipped ET laboratory
3. **Mathematics Laboratory:**-The B.Ed students who have opted for mathematics methodology are having the advantage to use mathematics laboratory. In this laboratory the trainees get training how to make mathematics easier for the students.
4. **Psychology Laboratory:**-In education psychology plays an important role. To nurture and develop the young ones, a teacher needs to understand and read the psychology of the students. Then only the teaching learning process will become easier. A teacher needs to understand the psychology of the students and parents equally for the growth of a child. As such they learn to develop the ability of guidance and counseling of school children and motivate them according to their needs and interests. For this purpose

psychology lab plays an important role to empower the B.Ed Trainees. The College has a well-equipped psychology laboratory.

5. **Language Laboratory:-** The college has well equipped language laboratory for both Hindi and English languages. These laboratories enhance the skill of the trainees and empower them to teach the students language easily, specially pronunciation, idioms, phrases, making sentences etc.

Cultural Activities

On college campuses, extracurricular involvement is a key tool in personal development. For the majority of college and university students, involvement in extracurricular activities plays an integral role in the collegiate experience. Students become involved in extracurricular activities not only for entertainment, social, and enjoyment purposes, but most important, to gain and improve skills. A wide and diversified range of extracurricular activities both internal and external like, dance competitions, wall magazine competitions exists on M.S. Institute campus, meeting a variety of student interests. Important occasions such as Teachers Day, Winter Fest, Sports Day, Hindi Diwas, including National Festivals-Republic Day, Independence Day are also celebrated. Students learn to negotiate, communicate, manage conflict, and lead others. Taking part in these out-of-the-classroom activities help students to understand the importance of critical thinking skills, time management, and academic and intellectual competence.

Academic Activities

1. **Workshop:-** Surveys ,workshops and seminars are a compulsory feature of MSIE.These activities offer opportunities to develop thinking and speaking skills of the students. Two workshops on “Free and compulsory elementary education” and “Samakhya” were organized successfully in the session 2014-2015.More workshops and seminars are on the way in the new session.

2. **Debate and Speech Competition:-** The campus also offers students opportunities to participate in debate and speech competition internally and prepares them to excel in various inter- college and inter-university competitions.
3. **Wall magazine: -** Making of wall magazine encourages students to bring out their thought and expression on any given topic.
4. **Collage:-** Pictures can be an effective tool to express thoughts and ideas. Time to time internal and external competitions are organized.
5. **Excursion:-** Excursions are a very important part of a student's life. They play a crucial role towards learning as well as promoting personality development of the students. Keeping this in view, the Department Of Education has been actively organizing excursions to a variety of places like, Rajgir, Nalanda & Pawapuri. The students also heartily participate in these excursions which help in developing qualities of resourcefulness, self- confidence, initiative and leadership among them. Excursions play a pivotal role in overall development of the students as an unhindered environment allows them to open up with the teachers as well as with their fellow students. The students develop social skills and carry beautiful memories of these excursions. The education as well as experimental material collected helps students to learn and plan experiments in a better way and allows them to remember and execute plans in future moving away from the traditional methods of research. Excursions prove as fun methods of learning, planning and execution on one hand and on the other hand as ways of development of responsible individuals.

Faculty of Bachelor of Education (B.Ed.)

The College has excellent team of well qualified and experienced lecturers. All faculty members have vast experience in their respective area.
